Absentee Bids
If you would like to place a bid on any lot, but will not be able to attend the sale, please contact Albert Meyers or the individual consignor to place your bids.

Sale Terms and Conditions
All cattle sell guaranteed under the Terms and Conditions of the American Angus Association and are warrantied by the individual consignor. All cattle must be paid for on sale day, prior to their release, unless previous arrangements have been made.

Transportation
After payment arrangements, cattle may be transported or arranged to be left at F&T Livestock for future pick up. Transportation intentions will be verified at settlement and noted on load out papers.

Update Information
A supplement sheet will be available sale day with updated information. This sheet and any announcements made from the auction block will take precedence over the sale book.

Herd Health
Health certificates, issued by a licensed veterinarian within 30 days, will accompany all cattle for immediate shipment.

Breeding Age Bulls
Breeding age bulls will have a minimum scrotal circumference of 32 cm and will have passed a breeding soundness evaluation (BSE) performed by a licensed veterinarian within 60 days of the sale date. Bulls will be in compliance with the Missouri State regulations regarding a negative Trichomoniasis status.

Genetic Conditions
Current genetic conditions status and testing results are listed and current as of February 12, 2016. Updated results can be viewed on line at www.angus.org

Inspection of Cattle
The cattle will be available for viewing on Saturday, March 19th at 2 p.m. at the sale site.

EPDs
The EPDs listed in the catalog are current as of February 12, 2016. Updated EPDs can be viewed on line at www.angus.org.

Junior Discount
All juniors (21 and under), present at the sale, are eligible to receive a $25 discount toward the purchase of a female lot.

Food
Dinner will be available for purchase beginning at 4 p.m. sale day.

Liability
All persons attending this sale do so at their own risk. The Mississippi Valley Angus Association, the sale staff and facility, nor any other people connected with the sale, assume any liability, legal or otherwise, for any accidents or loss of property.

Greetings from the Heartland!

On behalf of the membership of the Mississippi Valley Angus Association I welcome you to join us for our 21st anniversary sale. This year the breeders you have come to know have dug deep into their operations to offer the cattle you will find within this catalog. I’m excited to be able to include many new members to the organization with some past customers returning as consigning members. Throughout this catalog you are going to find a representative spread of cattle from all walks of the pasture. There are some strong yearling heifers, bred females and pairs, experienced productive females, as well as, several powerful bulls to start off the sale. All of the cattle in the sale are brought together through AI and home raised genetics blended by hardworking folks like you who want quality cattle in their pastures. As you review our offerings, please note the many advertisers that continue to support our organization as well as supplying those goods and services we need in our area.

Although we’ve seen some swing in the industry, plentiful hay, reasonable grain, and seasonable winter moisture all look favorable for those of us in the livestock industry. I look forward to seeing you on sale day and as always feel free to contact me concerning the sale.

As a final thought, if you are interested in joining our organization please inquire at the office when you pick up your sale number or contact me. I am always looking to increase our membership and extend opportunities to others!

Missouri Beef Referendum

On Dec. 23, 2015, Missouri Director of Agriculture Richard Fordyce approved a petition to conduct a referendum of Missouri cattle producers, pursuant to section 275.352 RSMo, as amended, to establish a $1.00 per head state beef checkoff assessment. Cattle producers will now vote for or against the establishment of the state checkoff.

Cattle producers will be required to register in order to vote.

Producer Registration

Beginning Jan. 4, 2016, producers can register online or by visiting their county USDA-FSA to fill out the voter registration form. Producers can also request a form by phone at (573) 751-5633 or by e-mail at voter.registration@mda.mo.gov.

Voter registration will end March 4, 2016.

Referendum Timeline

Registration - Jan. 4-March 4, 2016

Ballots Mailed to registered producers - April 4, 2016

Voting Ends (Ballots must be returned) - April 15, 2016

Results Announced - April 25, 2016

For more information about the Missouri Beef Referendum, please call (573) 751-5633.

Steak and Spinach Pinwheels

Ingredients:
- 8 slices bacon
- 1 - 1 to 1/2-pound beef flank steak or beef top round steak
- 1 - 10-ounce package frozen chopped spinach, thawed and well drained
- 1/3 cup grated Parmesan cheese

Instructions:
1. Cook bacon till just done but not crisp. Drain on paper towels. Score steak by making shallow cuts at 1-inch intervals diagonally across steak in a diamond pattern. Repeat on second side. With a meat mallet, pound steak into a 12x8-inch rectangle, working from center to edges. Sprinkle with salt and pepper. Arrange bacon lengthwise on steak.
3. Secure with wooden picks at 1-inch intervals, starting 1/2 inch from one end. Cut between picks into eight 1-inch slices.
4. Place, cut side down, on the unheated rack of a broiler pan. Broil 3 inches from the heat for 6 minutes. Turn broil for 6 to 8 minutes more for medium doneness. Remove picks. May also be grilled to desired doneness.

Great, dependable production in this female that makes her hard to sell. Records 3@106 BW (5 calves average 72 lbs), 3@108 WW, 2@106 YW, 2@109 % IMF, 2@106 REA. Retaining her SydGen Liberty 2455 (17408237) 9/21/15 bull calf. She is pasture exposed back to him 11/28/15 - 2/6/16.
